

California Department of Corrections and Rehabilitation Division of Juvenile Justice Awards

PRESENTED AT THE

California State Juvenile Officers Association
62nd Annual Conference
Monterey, California

— March 4, 2011 —

The Division of Juvenile Justice Awards are presented to applicants who have a positive impact on the juvenile justice system, and have made contributions in the areas of delinquency prevention, services to youth, and the overall operation of a juvenile division or unit. Eligible applicants can be law enforcement personnel, law enforcement programs, and agencies who work with youth while collaborating with law enforcement agencies. One individual Service Award and one Distinguished Program Award will be selected from each of the three California State Juvenile Officers' Association regions (Northern, Central, and Southern California).
